TEXT

A Frenchman was travelling in England. He couldn't speak English at all. He knew only a few English words and it was difficult for him to make himself understood. One day he came to a country inn. He felt hungry and decided to have lunch there. He wanted to order some mushrooms which he liked very much. So he called the waiter and spoke to him in French. The waiter couldn't understand a single word. At last he had a good idea. "If I show him a picture of a mushroom, he will understand what I want", he said to himself. So he took a piece of paper and a pencil and drew a picture of a mushroom. The waiter looked at it and ran out of the room. A few minutes later the waiter returned with an umbrella, for this was how he had understood the picture.
